**messe frankfurt**

## Fair outline

**Fair name:** Thermotec 2022 –The 8th International Exhibition on Industrial Furnace, Thermal Technology, Equipment and Material–

**Theme:** Thermal technologies for the environment and the future - Toward the realization of a sustainable society

**Date:** 1–3 June (Wed.-Fri.) 2022\* 10:00–17:00

**Organiser:** Japan Industrial Furnace Manufacturers Association (JIFMA)

**Venue:** Tokyo Big Sight South Hall (Tokyo, Japan)

**Co-organiser:** Messe Frankfurt Japan Ltd.

\* Originally, held every four years and planned to be held in 2021, however due to the postponement of the Olympic and Paralympic Games Tokyo 2020 by one year, 8th edition will be held in 1-3 June, 2022.

## Exhibits

Industrial furnaces / Environmental protection / Low carbonization, CO<sub>2</sub> reduction technology / Combustion equipment, heating element / Refractories, heat-resisting steel / Instrumentation, control, transfer mechanism / Surface treatment equipment, applied technologies / Far-infrared-ray related equipment / Electroheat equipment, power-generating and power-supply equipment, heat and thermal flow analyzer / Boilers, heating system / Refrigeration related equipment, applied equipment, cooling technology, and services / Waste disposal related equipment / IT related equipment / Advanced Digital Transformation (DX) for industrial furnaces and thermal technology / Energy supply (oil, gas, power) / Research institutes and universities / Other related products and services

## Targeted visitors

Steel, non-ferrous, casting, forging, heat treatment, ceramic /Transport equipment, semiconductor, machinery, chemicals / Environment / Waste treatment / Energy supply / Next generation-rechargeable batteries and fuel cell / Food, coating, painting, lumber, medicine / Electric, electronics / Researchers from universities and laboratories / Government office / local authorities / Teachers, students from universities, technical colleges, high schools / Other related industries

## Schedule

### Application deadline

**21 December 2021**

If your application is received after the hall is at maximum capacity, you will be added to the waiting list of potential exhibitors.

### Booth allocation

**From January 2022**

Booth allocation offer will be made only after confirming participation fee remittance by organiser.

### Deliver Exhibitor manual and Promotion guide

**From February 2022**

Preparation for the exhibition. Apply for various advertising opportunities.

### Move-in / Stand construction

**30–31 May 2022**

**Thermotec 2022**

**1–3 June 2022**

Open hours 10:00–17:00

**Move-out**

After 17:00, 3 June 2022

## Report from 2017 edition

**Date :** July, 2017 / **Venue :** Tokyo Big Sight

190 exhibitors / 13 countries-regions (Japan: 164 / Overseas: 26)

11,053 visitors / 21 countries-regions

- 64.2 % of visitors have influence in purchasing.
- 95.9 % of visitors will visit again Thermotec 2021.
- 95.8 % of exhibitors have satisfied with overall impression of the fair.

## Participation fee

\* Consumption tax will be applied to the prices declared.

### Raw space only

1 booth (9m<sup>2</sup> = W3m × D3m)

**JPY 340,000** (tax excluded)

\* Construction costs such as booth fittings, electricity supply and water are exhibitor's responsibility.

### Optional rental stand

1 booth (9m<sup>2</sup> = W3m × D3m)

**JPY 125,000–** (tax excluded)

\* The specifications may change without prior notice.

### Items included (Basic type)

- Octanorm wall panel system (H2.7m)

\* Wall panels will not be installed at open side of a corner booth.

\* If the booth next to yours is also a rental stand, you will share wall panels with that booth.

- Sign (company name, booth number)

- Needle punch carpet

- LED spot lights (15W) ×3

- Double electrical outlet (100V/700W)

- ×1Power supply installation, electricity fee (100V up to 1kW)

\* Additional fee will be charged for excess electricity usage.

- Stand construction, dismantling, transportation

- Booth cleaning (31 May -2 June)

**Rental stand Basic type**  
(Corner booth Image)

## Venue : Tokyo Big Sight

3-11-1 Ariake, Koto-ku Tokyo, Japan

Tokyo Big Sight is the largest international exhibition center in Japan and offers smooth and diversified access not only from central Tokyo and all other regions of Japan, but from around the world as well.
